Lester Snow
Executive Director of the CALFED Bay-Delta Program
1416 9th Street, Suite 1155
Sacramento, CA 95814

Dear Sir:

Conservation is the real solution to our Bay Delta Problems.

Please implement measures that do not include more canals, storage reservoirs, dredging, or water diversion.

Instead, stop making taxpayers foot so much of the water bill for large corporate farms. I support a solution that promotes water saving programs on our farms and in cities. The only sustainable way to replenish the Bay and Delta is to use less water!

Sincerely,

David Dierks
